## Current Extra-curricular Information

Campus/Community Service: [Click here to enter text.](#)

Organizations that you belong to: [Click here to enter text.](#)

Honors and Awards, offices held in organizations: [Click here to enter text.](#)

### **To complete this application, please attach the following three items:**

- Two letters of recommendations written by a **professional** with firsthand knowledge of your qualifications and experiences with elementary age children. Please have them include examples of how you interact with children as their teacher. (This can be a supervising teacher, a practicum supervisor, or another professional who has observed your teaching or interaction with children.)
- An essay (Use a separate sheet of paper, no longer than a page. Include your name at the top of the essay). Please respond to the following prompts:
  - From your personal experiences, what is one of the most pressing challenges facing educators today, and how do you plan to address this when you become a teacher (or if current teacher, how are you currently addressing this challenge?)
  - Describe two characteristics that uniquely qualify you to become an effective, professional educator, and how you will use these traits to influence children's lives?
  - Please include any other information that would help the committee select you as a recipient of this scholarship.
- An unofficial copy of your most current transcript. (You can copy and paste into a Word Document from My Info or the system your university uses. **Make sure your name and university appear on the transcript.**)
